

MagnaCom, Inc. Promotes Mike Legg to President

MagnaCom, Inc., a Technology Service Corporation (TSC) subsidiary announced the recent promotion of Mike Legg to the position of President. Mike joined MagnaCom in 2007 as manager of the BMD Analysis Branch and was promoted the following year to Director of Missile Defense Analysis. He is a native of Huntsville with over 20 years of experience supporting missile defense programs as well as commercial clients. He and the MagnaCom team will be spearheading TSC's participation in current and future Ballistic Missile Defense programs including the new overarching MiDAESS contract.
